- While at BCCC, I was a member of the schools Livestock judging team. Also served as a Director of the Schools Agriculture Club. Served as State President of the Kansas Assoc. of Post-Secondary Agriculturist and as a Director on the National Board
- Attended Kansas State University and was a member of the schools Block & Bridle Club

Personal

Have lived in Lawrence & Douglas County since 1989. I'm married to Alejandra Guzman Carrasco and we have 4 children ages 17 to 24. I grew up in the country outside of Eureka, Ks., where my parents also sold real estate as well as operated an Auction House, raised cattle and my mother taught first grade for 25 years. I was active in sports, 4-H, FFA & a Charter Member of the Eureka Jaycees. I'm very happy to call Lawrence, Ks home. As I start my 28th year as a member of the Lawrence Board of Realtors, I'm grateful to be able to work with some of the most professional people in the Real Estate Business.
