2. Thank you to Katie Stutler in advance for attending the next New Orientation on 3/28. Scott Braden would also like to attend.
3. Rob's update for the technology classes in April. He presented two choices for the training. Either the whole day on 4/3 or offer a two-day class on 4/3 & 4/4. The committee was more in favor of a two-day class. The outline will be on the lines of beginning with HomeSnap at 10:00 and then following up with Paragon for two hours, then CSS Scheduler, and RPR 1 and RPR 2 to conclude the day. Lunch will be served during the 1st day. Rob will follow up with the webinars that would be offered on the following day 4/4. The latter day's outline thus far: 10-11am ZipForms, 1112pm for MLS Connect Webinar and lastly from 12-1pm for Supra. Again, all three classes are Webinars. Snacks to be provided for 4/4th.
4. Next lunch in learn.... Lucy is going to nix the Title class and look into a culture class. Possible dates are 5/8 or 5/15. Shannon did bring up the idea of Haunted Title stories for October. Rob was all over this.... we have such a class on the books for 10/30th. Title: "Haunted Title Tales."
5. Tentative date for the Boys and Girls club teen center tour-7/23/18. Lucy will confirm with Greta.
6. RSS reservation date.... Rob will check on 2/21/19. Other items we discussed for the next Summit: how to accommodate for our Vendors and the discussion of having a "key" speaker speak following lunch. Lunch to be kept as a time for those attending to have free time to visit.
7. Other business...upcoming CE classes are on 4/12

Meeting adjourned at 2:30. Our next meeting will be on 4/19/18
