

## EDUCATION COMMITTEE MINUTES

April 19, 2018

Those in attendance: Rick Duggan, Leah Kohlman, Lindsay Landis, Deborah Becker, Katie Stutler, Shannon Zandanel and Lucy Harris

1. Approved Minutes from 3/8/18
2. New Orientation Feedback-looked over the responses. Leah informed the committee that in the near future, that the LBOR will offer an online orientation for those members that can't attend in person.
3. Review from the Day of Technology and Webinars-only one agent responded and that was very positive. From the committee-while the offerings were good, some members thought the Presenters could of been better equipped with spot on answers.
4. Next Lunch & Learn: 5/15 from 11:30-1:00. Topic: "Inspections and New Construction." IF ANY MEMBERS WOULD LIKE TO COME UP WITH A CATCHY TITLE, PLEASE EMAIL Leah. Our guest panel on the 15<sup>th</sup> will be-Brett LaRue for Inspections and Trent Santee for New Construction. Lucy will get their bios and pics to Leah. Security 1<sup>st</sup> to host the lunch.
5. Mark your calendars: 7/23 is our tour with the Boys and Girls Club. Tour is 4-5pm, followed by happy hour/discussion.
6. Katie has been working on a blood drive to be held at the LBOR's office. The date is 9/7, upon approval!! We're looking at a full day with a 5-6 hour time slot. Refreshments will be provided.
7. Katie has been in communication with Tracey the Safety Lady. As a committee we will look into having her possibly speak at the Lawrence Public Library in one of their rooms. Rick Duggan will ask for Sponsors, starting with Rueschoff. In addition he will seek another Sponsor, as well. Katie and Rick will report back at our next meeting.
8. Another mark for your calendar: RSS is set for 2/21/19. We are looking for a guest speaker. IF YOU MAY HAVE ANY SUGGESTIONS, please email myself and copy Leah. My goal is to have someone lined up by August 2018!!! As the year goes on, we will plan out our sessions. Lucy is waiting to hear back from Dr. Deena Beneda, for a session on health care-Natural Medical Care. Leah and Lucy will discuss with Rob, and then have him contact the DoubleTree for assistance in coordinating the format for 2019. The suggestion of having tall tables and serving appetizers for lunch was well received. Then to follow-up with the guest speaker after the completion of lunch. Another past suggestion from the Vendors, is to have a room for them, or maybe have them be in the perimeter of the lunch area, so they get more traffic.

Meeting adjourned at 2:30

Our next meeting 5/10/18
