

Education Committee Minutes

September 13, 2018

Those in attendance: Leah Kohlman, Lindsay Landis, Andrew Drinkard, Brian Johnson, Kimberley Barton, Katie Stutler, Deborah Becker, Scott Braden, Janet Breithaupt, Rob Hulse and Lucy Harris

1. Approved minutes from 8/9/18
2. Deborah Becker will attend the New Member Orientation on 9/26/18, on behalf of our committee. Update from Leah for the Steering Committee: they will meet again next Thursday 9/20th. Their goal from their first meeting on 8/30th, is to have everything inline/online by January 2019!!!
3. The blood drive on 9/7th went well. 21 pints was the goal, and they gathered 36 pints. Katie will continue to oversee having a blood drive at the LBOR's office, but try not to compete when other agencies might be doing so. Tentatively looking at July 2019 for our next annual blood drive.
4. Prime Martial Arts-their class during our safety month is greatly valued. Katie suggested that we could possibly have them on our schedule for RSS in 2020.
5. RSS Brainstorming... Lynn with "Functional Home Living," stopped by and gave a short presentation. We felt as a committee, she might do well as a vendor/sponsor for RSS. Other ideas for the sessions...Lindsay will look into a class on marketing, and also into a class on Historical homes in Lawrence. Also, Rob to check into a session on technology of some form, and securing a guest speaker. Leah will also be looking into some options through KAR.

The meeting was adjourned at 2:30. A special meeting to further discuss a guest speaker was set for 10:30 on 9/17th-Leah, Rob, Lindsay & Lucy to attend at the LBOR office. We will report and further discuss at our next Education Committee meeting on 10/11/18.
