

## Education Committee Minutes

August 9, 2018

Those in attendance: Leah Kohlman, Rick Duggan, Brian Johnson, Kimberely Barton, Deborah Becker, Katie Stutler, Hakan Wildcat, Rob Hulse, and Lucy Harris

1. Rob had a discussion on RSS....instead of reaching out to KU for a keynote speaker, Rob will be checking with the possibility of having Lawrence Yun, whom is the Chief Economist and Senior Vice President of Research at the National Association of Realtors, be our featured speaker. Either way, it was decided as a group to have someone that was relevant to our business. Rob will check into this and report back at our next meeting. Note: by having someone from NAR, there would not be a fee!!! Rob also suggested we involve other regional Realtor, which led into Kimberely Barton reaching out to the Great Plains Association. The overall thought was well received. Additional brainstorming that came from our meeting-Rod McIntyre would be a good motivational speaker-session or keynote??? Those members that have already looked into getting names for our sessions, would research more and bring info at the next meeting. It was also suggested that Affiliates get 15 or 20 minutes to speak during RSS. Other ideas ran into having our keynote speaker go from 11-12, then follow with a lunch. Also, have high top tables, so people could also continue networking. Leah will work on the web page. Something that was decided and Leah will encourage, is to ask for members to submit their ideas for the next RSS for topics to her, and if their idea is used, then they will receive a free ticket to RSS.
